“Something Extra For South”

South High School Legacy Endowment Program

What is it?

To supplement the on-going sustainability of the SHSAF, we have developed the Legacy Endowment Program for South High School. South has over 15,000 alumni many of whom are retired or will be retiring soon. In response to inquiries about how to assist South High funding in the future, we are initiating this Legacy Giving Program where bequests from alumni will provide South High the equivalent of dividends from an endowment over the next 20 or more years. The funds will be used to support high academic standards and student and staff focused activities. All of the monies raised go to the student-faculty projects. We have no staff and no facilities and hence, no overhead. You can be sure your contribution is going to the students or direct support of the students. (See back page for the types of projects the foundation has supported.) Your contribution will be memorialized appropriately at the school and online.

How can I participate?

It is as simple as putting a statement in your Last Will and Testament as follows:

After the expenses of my estate are paid and if there are adequate funds remaining, I give an amount of \$_____ to the Pueblo South High School Foundation, c/o The Treasurer, PO Box 1065, Pueblo Colorado 81002."

That is all there is to it. The SHSAF appreciates knowing if you have made this decision to participate in the legacy program, who to contact at the time of your passing and permission to contact that person. Please complete the form on the next page. \$1,000 or more for this program is suggested, but any amount is appropriate.
